- Advanced Forensic Psychology Practice: 09/2000
Issues and Applications
A three and one-half-day series of intensive workshops addressing psycholegal topics in criminal, personal injury and probate law. Sponsored by the American Academy of Forensic Psychology Tampa, Florida
- Topics in Forensic Neuropsychology: 10/2000
A two day series of intensive workshops addressing:
· Clinical Decision Making; · Assessing Malingering;
· When Experts Collide: Neuropsychological Consultation,
· Testimony and Encountering Colleagues in Court;
· Overview of Functional Neuroimaging and Implications for Neuropsychological Practice
Sponsored by the American Academy of Clinical Neuropsychology Chicago, Illinois
- Preparation for the Forensic Diplomat 02/2001
David Shapiro, PhD (a one day course)
Nova Southeastern University
Fort Lauderdale, Florida
- Second Annual Updates in Clinical Psychiatry 09/2002
Sponsored by University of So. Fla. College of Medicine
Lake Buena Vista, Florida
- Forensic Applications of the MMPI-2 (Day One) 11/2002
Advanced Topics in MMPI-2 Interpretation (Day Two)
James N. Butcher, PhD, Yossef Ben-Porath, PhD
Sponsored by University of Minnesota and Kent State University
Tampa, Florida
- 2nd Annual Mild Cognitive Impairment Symposium 02/2004
Presented by the Wien Center for Alzheimer's Disease and Memory Disorders
Miami Beach, Florida
- 2004 AACN Workshops & Annual Meeting 06/2004
American Academy of Clinical Neuropsychology
· Consilience and pediatric traumatic brain injury
· Common pitfalls in statistical analysis
· Practicing beyond the Wechsler manuals
· Practical issues in clinical neuropsychological assessment
· Update on ethical issues in neuropsychology
Minneapolis, Minnesota
- Expert Witnesses, The Adversary System, Voice of Reason 10/2004
Louis de la Parte Florida Mental Health Institute
University of South Florida; Palm Beach Gardens, Florida
- Ethical Decision Making and Risk 02/2005
Management in Clinical Practice
Eric Harris, Ed.D., J.D.
APA Insurance Trust/Nova Southeastern University
Orlando, Florida

**Continuing
Education (con't.):**

- Forensic Applications of the MMPI-2 04/2005
- MMPI-2 Restructured Clinical (RC) Scales
- Y. Ben-Porath, PhD, D. Clay-Sims, Esq., P. Arbisi, PhD
- A. Tellegen, PhD
- Kent State Univ./Univ. of Minn. Press
- Fort Lauderdale, FL

- National Institute on Presenting Psychological and 04/2005
Neuropsychological Evidence in Personal Injury
and Medical Malpractice Cases
- 2- Day Conference Sponsored by:
American Bar Association, American Psychological
Association and the Illinois State Bar Association
Chicago, Illinois

- 4th Annual Conference of the American Academy 06/2006
of Clinical Neuropsychology
- Workshops attended:
- Case Studies of Financial Competency in Older Adults with Dementia
- A Syndromal Approach to Criminal Forensic Neuropsychology
- Matters of Import in Forensic Neuropsychology: Can a Panel
of Experts Agree?
- Neuropsychology in the Courtroom: Discovery Wars, Records
- Management, Scope of Practice and Legal Requirements
- Assessment of Effort: Further Evolution
- Philadelphia, Pennsylvania

- VHI: Traumatic Brain Injury 11/2006
West Palm Beach, FL VAMC

- 5th Annual Conference of the American Academy 06/2007
of Clinical Neuropsychology
- Workshops attended:
- Review of Genetics, Neuropathology and Neuropsychology of
Frontotemporal Dementia
- Neuropsychological Assessment of Children for Forensic Purposes
- Pain Psychology for Neuropsychologists
- Understanding Somatization in the Practice of Clinical
Neuropsychology
- Criminal Forensic Neuropsychology: It's Murder
- Denver, Colorado

- 6th Annual Conference of the American Academy 06/2008
of Clinical Neuropsychology
- Workshops attended:
- Neuropsychology of Blast and War-related TBIs
- Evidence Based Assessment and Research Interpretation
- Assessing Mild Traumatic Brain Injury in Forensic Settings
- Clinical Reasoning and New Developments in Neuropsychological
Assessment
- AACN Consensus Conference: The Neuropsychological Assessment
of Effort, Response Bias, and Malingering
- Boston Massachusetts
